

September 2020

Currently the Mohave Chapter is in the early stages of planning for our Halloween party on October 24th. Another event in the near future is a scavenger run, details not worked out yet. Working with the Brotherhood United Motorcycle Association we are looking into doing a bike night at a bar in Laughlin, NV but this depends on when the bar can reopen.

Until next time, everyone ride safe and stay safe.

Tom Aydt
Mohave Chapter Coordinator
