Motion was made by Jay to accept Treasurer Report, 2nd by Shirley Motion passed.

Membership Report: 52 current. Letters sent to those whose membership is expiring.

Labels have been obtained to update the trifolds. Cynde and Shirley are well stocked for a while. Let us know if you need fresh trifolds to help new members get signed up.

Motion to Accept: Cynde 2nd George.

Merchandise: The first apparel/shirt order is in, and they look awesome! Shirley also had a couple of white "please help" bandanas made up. She will check on getting some more to printed up. There are smaller "Abate of Arizona" patches available. Cynde has them. We do have Chapter patches available. A discussion was had to downsize the chapter patches next order.

BOD: G-As always please bring any questions or concerns to "G" so he can present them to the BOD

Communications: powered motorcycle there is available Tax credits for said purchases.

Safety: Check your home smoke detectors etc...

PAC/MRF Report: Denny: There are several things in the works.

- Distracted driving is a huge issue, and we should all urge our legislators to work on a fix.
- There is a big push to introduce more ethanol into our fuel. Now fuels may or may not contain ethanol with a lack of labeling at the pumps. It sounds like there is a push to add more of the motor killing stuff to the fuel supplies and without labeling.
- H.R. 3182 & S.2736 (RPM Act) Supports your right to modify vehicles for racing.
- Black Box access. Yes, our newer vehicles have black boxes. Without protection they can be accessed by anyone. This is being addressed.
- Autonomous vehicles: These continue to be developed and we need people in the motorcycle community to let their legislators know we are greatly concerned for everyone's safety around these vehicles.
- For anyone considering the purchase of an electrically powered motorcycle there is available tax credits for said purchases.
- Abate of Arizona has available a Right to Speak program. It is important as it helps us voice our opinions.
