Volume 34 Issue 3

President's Report

As I sit down to write this, I just got off the phone with a few people in regards to Too Broke for Sturgis. We have several folks working on this and we need to put together a committee to help with all these issues. If you or anyone in your Chapters would like to join and help us out please contact me or Sandra Tavares A.S.A.P. It would be beneficial to have at least one representative from each Chapter on the committee. Please talk to your fellow Chapter members and bring it up at your meetings. This is a major fund raiser for ABATE and we need everyone to help.

*Greetings Fellow
Supporters of
Motorcycle Rights!*

This year we are once again changing up Motorcycle Day at the Dome. It will be held on April 13th which is a Saturday. It will be a rally type event and we hope to have much better attendance on a Saturday so more people will not need to take time off from work. The event will be held across from the State Capitol at the Wesley Bolin Memorial Plaza. The time we have the plaza reserved is 9:30AM until 1:30PM.

I would also like to thank all of the Business Members that you see listed and their business card ads throughout the Masterlink. Without the support of these community members we would be hard pressed to do what we do. I strongly encourage all ABATE members to support those businesses that support us.

The Arizona Motorcycle Safety and Awareness Foundation (AMSAF) will be once again hosting their event "RIDING FOR THE LONG HAUL" April 27th 5:30 to 9:30PM, at the Marriott Phoenix Chandler, 1600 S Price Road, Chandler AZ. For more information about AMSAF and all they do for the motorcycling community go to AMSAF.org.

It is important that you let those sponsoring events that you attend know that you are an ABATE member and that you are supporting their event. Always try and wear ABATE gear so others see you are a member. This helps not only our image as an organization that we are supporting the motorcycling community but also helps in recruiting new members. Folks tend to want to join organizations that are active and support the same things that they do. Our new Merchandise Officer Damian Page is working on new designs that will help make our members show the world who we are.

May is "Motorcycle Awareness Month" nationally and once again we will be working with the Governor's office to have the Governor issue a proclamation officially designating May as "Motorcycle Safety and Awareness Month" in Arizona. I know most of our chapters are planning some kind of event or project to support this in their local areas. Please support all efforts to get the message out to the general public to "Check Twice for Motorcycles" and this may be a good idea to take to your local city or town council to get them on board to promote motorcycle safety and awareness.

This is the time of year when our calendars start getting very full. The weather is getting better and everyone has events planned and rides in the works. Arizona Bike week is April 3-7, and many of the clubs and charities have scheduled events for this time of year. Because of all the events and the fact that the best riding weather in the country is here in Arizona this time of year we have many visitors from out of state. These folks are not always familiar with our road and conditions. Please ride defensively and look out for these folks. We have lost way too many of our fellow riders already this year. Everyone should be able to enjoy the beautiful rides here in Arizona and get home safe afterwards. Carry several copies of our Lane Filtering cards so you can help educate those you meet as to the details of our law here in Arizona.

Once again the Motorcycle Riders foundation will be hosting the 15th Annual Michael "BOZ" Kerr Bikers inside the Beltway, May 20 & 21, 2024. This is the ONLY National Motorcycle Lobby Day held in our nation's capital. Motorcyclists from around the country ride or fly and make their way to Washington D.C., to help educate Members of Congress regarding the issues facing motorcyclists today. If you are planning on attending make your reservations A.S.A.P. For more information go to www.mrf.org.

As always, until next month!

Shirley “Moonshine” Moore-Bizub Memorial

On Saturday February 24th I was honored to attend the Memorial/Celebration of Life for Shirley “Moonshine” Moore-Bizub. Shirley served as State President of ABATE of Arizona 2020-2021. She passed away at the end of December. The celebration was held at the Desert Road Riders MC Clubhouse in Kingman, Arizona. I would like to thank all the members of the Desert Road Riders for opening their clubhouse for this event. This is a new clubhouse, and I was told that they worked hard to complete the remodeling and decorating in time for the celebration for Moonshine.

I would like to again extend the condolences of all our ABATE members to her partner Gary “G” Vick and her entire family. It was heartwarming to see the large number of ABATE members who came to help celebrate her life. We had members from almost every chapter. Shirley was an amazing lady and was always working hard to promote ABATE and support all the different events that she could. She will be greatly missed.

East Valley Chapter

East Valley Chapter membership is gearing up for our annual Hard Ass Ride. The ride is on March 9th. This is not your typical ride and is several hundred miles out into the rural Arizona highways. It is going to be a long hard on your ass ride!

Visited our new business member, Throwback Family Fun, and presented owner Kelsey their window sticker, patches, and business member sign. Great fun place – they have axe throwing! One of our members, Matthew Reemelin, demonstrated his axe throwing prowess by throwing a bulleye! I think he has been sneaking down to Casa Grande (the location of Throwback Family Fun) to get in some practice sessions.

We have a busy month with several membership booths, lane filtering presentations, and membership opportunity presentations at various venues and legion posts. As always, be on the lookout for all free of charge membership booth spaces – there are several bike event facebook pages from which to investigate booth opportunities.

We created a new lane filtering presentation that contains examples of where one can filter on actual Tempe/Chandler street configurations. Got to get the riders and car drivers educated – the business cards are great but sometimes people need some face to face explanations. Let's all do our best to educate the riders and car drivers.

Rick Ferguson and I participated in the day at the dome. Met several of our legislators with the goal of getting their support of the covered loads legislation. Met and discussed the legislation with my district 8 senator. Based on hearing the facts that riders are getting injured or killed he expressed his support of the bill. Even if you can't go in person to voice your opinion on a bill you can still express your support thru Arizona's Request to Speak System. Wrapped up our day at the dome by attending a house of representatives session. ABATE was provided a welcome introduction by our Prescott area "freedom fighter" legislator.

V Twin Collective Joins ABATE of Arizona

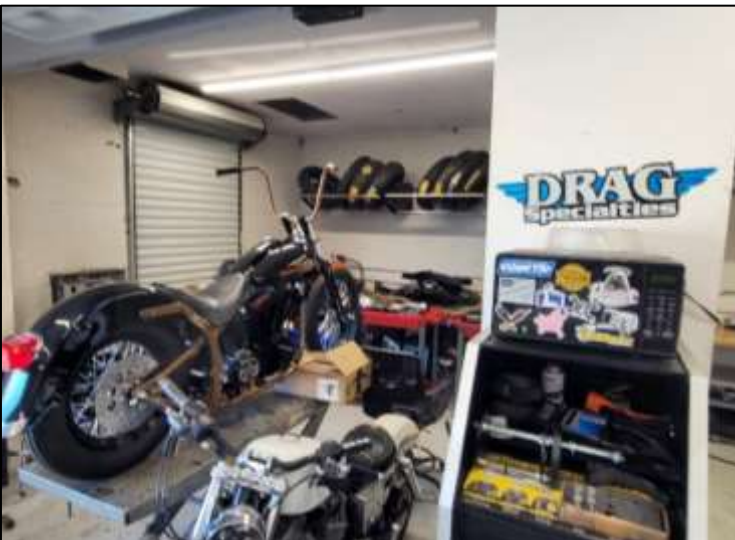

After the February monthly meeting, several of the members of the Southern Arizona Chapter went to present the Business member Certificate and membership pack to the folks at V-Twin Collective. This is the latest motorcycle related business for Randy and Gina Walters.

Randy started his first motorcycle shop after he had trouble finding a good shop to work on his motorcycles. Randy and his wife Gina were in a business that did custom truck and auto work including interiors and spray on truck bed liners etc., called The Option so Randy started a new division of this as The Option Motorsports. Business was good and this division quickly grew. They soon outgrew their location and moved to a new much larger space.

While Gina still took care of the business for The Option, Randy now opened Randy's Motorsports as everyone referred to his shop as "Randy's" anyway, so he just went with it. This new shop was much larger and allowed them to provide more services to their growing customer base. The Business continued to grow and provided great service to the motorcycle community in Tucson. Randy eventually found a new location for his motorcycle service business and spent several months converting the new space into what he wanted for a great service facility. This new shop opened in January of 2023 and has been running strong for just over a year. With the new location came a new name.

The business is now known as "V-TWIN COLLECTIVE" and is a full-service shop specializing in Harley-Davidson and V-Twin motorcycles. The new location is 1421 S Kolb Road, Tucson, AZ. The phone is 520-771-8632. You can check out their web site at www.vtwincollective.com. The hours are 9AM – 6PM Monday through Saturday. They are one of the only shops open on Monday in southern Arizona.

They are a full-service shop offering Sales, Service, Collision repair and Performance-Tuning and more. Randy has been riding for many years. His current bike is a Low Rider S. He has 3 employees who are always happy to help their customers. Even though their focus is on Harley type bikes they will do basic services such as oil changes etc. on metrics, so give them a call for your motorcycle needs. It is also the cleanest and most organized motorcycle shop I have ever seen. You can tell that they take pride in their work and are happy to welcome you to the shop. Randy and Gina have been long time supporters of ABATE of Arizona, and we are happy to have them as a business member for this latest enterprise.

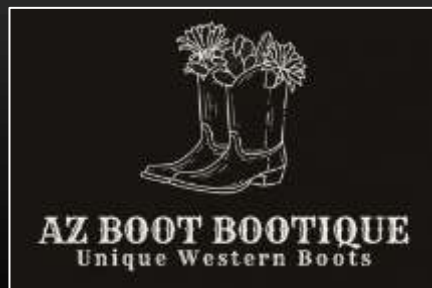

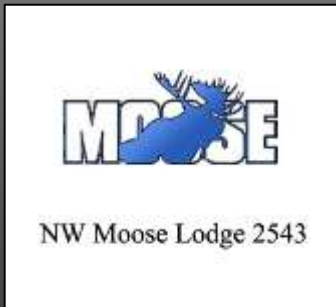

A note from our Vice President

Hello, my brothers and sisters. Thank goodness for a mild winter. With that being said the bikes are already out and about. A gentleman from the Bullhead area reached out to ABATE and we are setting up a booth in Bullhead the last weekend in April. He has come up with an idea of Art in Bikes. By showing artwork of bikes maybe it will express that we need to watch out for bikes by having artwork displays. He is having a competition to have artwork judged and prizes awarded the last weekend of April in Bullhead. More details to follow and a flyer. Any questions you can reach out to ABATE. Please watch out for each other.

Choose Wisely

Once you've decided to ride, there are a lot of choices to be made. What kind of bike? New or used? How much insurance? What kind of protective gear? It can get very expensive. So if you've chosen to wear a helmet, we'd like to make sure you buy a good one.

The Arizona Motorcycle Safety and Awareness Foundation (AMSAF) and Governor's Office of Highway Safety (GOHS) want to help. Our Financial Assistance Helmet program provides individuals with \$125 from AMSAF and 25% off the Manufacturer's suggested retail price (MSRP) when you purchase a DOT-approved, full face or modular helmet at AMSAF approved locations throughout the state.

For more information or to apply go to AMSAF.org/Helmets

The Arizona Motorcycle Safety and Awareness Foundation Financial Assistance Helmet Program

How it works

- AMSAF Vouchers are valid towards the purchase of a \$200.00 or higher DOT Certified Full Face or Modular Street Helmet.
- Vouchers are only valid to those dealers approved by AMSAF and listed on the AMSAF website.
- Vouchers are not valid for discounted, special order or discontinued helmets.
- Purchased helmet is non-returnable if warning tag is cut off. Helmets may be returnable at the discretion of the dealer.
- Voucher is valid for a \$125.00 credit toward qualified helmet due to grant received from the Governor's Office of Highway Safety.
- Dealer or store will give an additional 25% off of Helmet MSRP.
- \$50.00 tax deductible donation is required to AMSAF at time of application.
- Voucher and promo code is only valid toward one (1) Helmet purchase.
- Dealer will credit individual up front at time of purchase and invoice AMSAF.
