

December 2016

Would you look at that how time flies when you're having fun, seems like yesterday we were enjoying the Spaghetti Feed and now we are creeping up on New Year's. We already have a committee of members willing to help put together the 2017 Hard Ass Run.

Several of us adventured over to the Desert Rose Gastro Pub in Glendale on Oct 15th Eve to enjoy the Phoenix Shadow Mountain Chapter Moon Mullins Ride. It was my first time making the adventure and even with a few little hiccups it was beautiful. I most definitely look forward to next year's ride.

Now I can't speak for the other chapter officers but on I would like to apologize to the East Valley Chapter for being 1 of the officers who created the need to cancel the October monthly meeting, although there were enough people between chapter officers and members that we could have held a meeting in Tombstone. For those of you who may not know the reason the meeting was cancelled it was because all but 3 chapter officers were in Tombstone visiting the Tombstone Brewing Company to support Matt Brown in his new adventure. Let me tell you he brews some yummy beer. Matt Brown has always supported ABATE of Arizona especially his own East Valley Chapter.

Motorcycles on Main was great as always. Don't be afraid people to come out and visit at the booth the more the merrier. This month is one of those rare moments when I am kind of at a loss for words. So I am going to go ahead and keep it short and sweet.

Look forward to seeing you all at the Membership social on Dec 4th.

Until next month, be safe out there.

Enjoy the ride and as always keep it rubber side down.

Here's to Wind Knots in my Hair,
