

October 2017

Hey there, would ya look at that half way thru September already. The "signs" of cooler weather are upon us even if the thermometer isn't showing it yet. The adventure calendars are filling up.

Motorcycles on Main has started back up after our 2 months of Holy Crap it's too hot to be out there. It was a lot of fun to see some of the faces again that ya only see down there. Thank You Jim Silk, Mike Infanzon, and others for covering the booth so I could go run amok and earn another grey hair (oh no that's right they are called silver highlights) for my birthday. Phoenix Motor Leathers had their grand opening with Unknown Associates playing great time. I even ran into to our lovely Ms. Too Broke for Sturgis Christina sporting her tiara, sash and all. It was a beautiful night.

We had our chapter meeting on Sunday, August 27th. You could feel the excitement in the room as we all worked up for Biker Bowling. John Ivey ya missed out buddy your number was drawn for the Dollar jar. I won the 50/50 and opted to donate the \$7 back to the chapter.

Okay, let's talk about Biker Bowling. We gathered at Mesa East Bowl and waited semi patiently for Phoenix Shadow Mountain to show up to play. Even though it was a smaller group than usual, it was on. East Valley Chapter put up a good fight but in the end Phoenix Shadow Mountain got the privilege to take home the Bowling Pin. Just wait, the Pin will come home to East Valley Chapter.

Next stop Hard Ass Run on Saturday September 30th. Woo Hoo.

Until next month, be safe out there. Enjoy the ride and as always keep it rubber side down.
