

## April 2017

Hello brothers and sisters. Up here in the High Country the weather has been beautiful. One thing we love about Arizona, is that we have riding season year-round. Still; before you get on your bike, you should always do a safety check. Check all your fluids, and most importantly, check air pressure and condition of tires. This is just one step to having a safe ride.

High Country Chapter is still working hard on planning Wild In The Weeds. We have been doing what it takes to try to make this event bigger and better. I hope you will all come and join us May 5<sup>th</sup> thru the 7<sup>th</sup> at Punkin Center for this special event. If you have not attended this event in the past, don't put it off any longer. You don't want your friends teasing you for missing such a good time.

I just wanted everyone to know that High Country Chapter has voted to change the day of their meetings to the third Saturday of every month, beginning in April. The time, 10 a.m. remains the same, as well as the place, Moose Lodge 852. Everyone is invited to attend. Prior to our meeting, we meet for breakfast at the spur bar around 8:30 a.m. come check us out and see what ABATE is about, and how being a member can benefit you.

Keep wind in your face, sun on your back, fuel in the tank, and rubber on the road.
