

January 2017

Hello Brothers and Sisters.

Well here it is 2017, with 2016 in our rear-view mirror, our chapter is already working on this year's events and activities.

We held Barbie's Toy Run in December as we always do and the amount of donations were incredible. We had four truckloads of toys and over \$2000 in cash donations, all to help the children of rim country. Most of us were pretty beat after Barbie's, but stuck it out to help deliver. Dry eyes were in short supply when we delivered all the toys and cash to the Ladies of The Moose, Moose Lodge 852 in Star Valley.

The Moose Lodge held their Christmas party the following week and invited the families that need the help. Gifts, coats, hats, gloves, and food boxes were handed out, and every child got a chance to sit on Santa's lap and tell him what they wanted for Christmas. Oh, and did I mention Santa and his Ole Lady arrived on a fire truck? Thanks Again to Hell's Gate Fire Department. Just goes to show how the biker community and the community of the Rim Country area comes together to help out their fellow man.

Special thanks go out to CC rider, Woody, and Debi Shaffer for their hard work. To the Buffalo Bar and Grill and their awesome staff for hosting us. To Butcher Hook, Jake's Corner. To the Spur, El Rancho, and Sidewinders. To MMA, AAA Med-ex, and a few others I'm sure I may have forgotten. Special Recognition should really go to Punkin Center Bar and their customers. They are responsible for almost half of all the cash donations we received in the last three years. They are just awesome. Harley and Tonya are already helping to collect for this year's Barbie's Toy Run.

Keep wind in your face, sun on your back, fuel in the tank, and rubber on the road.
