

## June 2017

Hello brothers and sisters,

Well once again Wild in the Weeds has come and gone. If you were able to make the event, then you already know what a good time we all had. Big shout out to the OBMC for attending and showing their support. Also thanks to Jon and Pinky for showing their support, by bringing their crew from Choptown to our event to join in the bike games.

We had plenty of people and bike games to keep everyone entertained for hours. We have added a lot of new games and will continue to improve our activities. This year we added a swimming pool. This was a big hit, OBMC had prospects doing belly flops Friday night, and many escaped the heat on Saturday by taking a relaxing dip.

There were lots of raffles and our vendors were there with lots of good merchandise, and they participated in our poker walk. Friday night we rocked out to the sounds of Frozen Fire, and then Saturday Plum Krazy rocked the house. Punkin Center Bar went all out with breakfast and dinner buffets and lots of drink specials.

I would like to thank Tonya, Harley, Rod, and all the staff at Punkin Center for making us feel welcome. Also to all the vendors that came out and participated. Let's not forget our bands Plum Krazy, and Frozen Fire, for their awesome performance. To Royce for MCing the event and Games. To Don Davis for allowing us to camp at his museum courtyard. Thanks to all our H.C.C. volunteers who worked the event. A special thank you to CC-Rider and Woody for putting this all together and making it a success.

Come join us at our meetings on the 3<sup>rd</sup> Sat. of every month at the Moose Lodge in Star Valley 10am. Breakfast at the Spur Bar 8:30 prior to.

Keep wind in your face, sun on your back, fuel in the tank, and rubber on the road.
