

## March 2017

Hello Brothers and Sisters.

Hello brothers and sisters. Well, up here in the High Country the weather is improving. It has been great for riding and we've gotten in a few good ones the last couple months. It still gets Chilly from time to time, so be prepared, pack your leathers.

We have been working on our next event, which is; "Wild In The Weeds". This will be coming up the first weekend in May. It is always a good time. If you've never been before you don't know what you have missed. Mark it on your calendar for May 5<sup>th</sup> through the 7<sup>th</sup>. There will be bike games, people games, vendors, fun, food, and entertainment. There is free camping and RV parking. Hope to see you all there. It's going to be a great time.

Motorcycle day at the Dome was held in February, I hope most of you took time to try to attend. I know some members from our chapter took time to attended. Unfortunately, I was unable to make it due to work, "I know, that's a four-letter word". I have been there once before in the past, and got a chance to talk to some of our legislators. It's always good to get involved.

High Country chapter holds its meetings, every third Sunday of the month. All are welcome to attend, come join us, and see what we're about. Our meetings are held at the Moose Lodge 852 in Star Valley, starting at 10 a.m. We meet at the Spur bar for breakfast at 8:30 a.m. prior to the meeting. We usually plan to go for a ride after the meeting. Destination Unknown.

Keep wind in your face, sun on your back, fuel in the tank, and rubber on the road.
