

December 2016

Our November meeting was held at Additions Bar and Grill on November 9th.

Next month we'll ride to ride to Bagdad and Wilholt to check out possible spring overnight runs. We're looking for places near off-road trails as well as street-bike access. If you are interested in participating in this research mission or can provide location insights, contact us at ycabateaz@gmail.com or call 206.300.0236.

We are seeking members and non-members alike to bring ideas and opinions to our monthly meetings. If you can't attend, please send us an email!
