Old Business:

Jeremy will be taking charge of keeping track of who sold tickets & how much & track who he has given out too. I gave him a list of tickets already sold.

Start thinking of about who want to nominate for Officers & think about possibly filling one of the numerous vacancies of officers. We will be having Elections in October at our Road Clean-up.

Also in October we are going to have the Road Side Clean-up, please make sure you come as the more we have in attendance the faster it goes. Are we going to do the same as last time have our meeting here or go out there do our clean-up, have our meeting & maybe have some lunch? Monica needs to know by next meeting as she needs to let ADOT know the day we are doing the Road Clean-up. We will set a canopy over by our sign for shade, Buddy's bar is still complaining about not letting her know we are doing the clean-up well enough in advance. We will have the meeting at the Moose then go to road clean-up. It will be a short meeting and see if we can do it earlier so we can get out there before it gets too hot. It would have to be coordinated with the Moose & get with Anissa to see if that is possible.

New Business:

We will be doing our 2nd Road Side Clean-up in Whetstone. We will be having our meeting first at the Moose for our elections then go do the roadside clean-up. At our October meeting we will be holding our Elections for Officers. We have a few Officer positions open and need someone to step up. Please attend the October meeting, as we need everyone there.
